GENERAL DESCRIPTION OF TASK(S) AND OBJECTIVES TO BE ACHIEVED

Under the overall guidance of the Head of Animal Production and Genetics Unit and the direct supervision of Ms Clarisse Ingabire, Animal Production Officer (AGAG), the intern will support AGAG ongoing work on the development of guidelines on good animal husbandry practices. The guidelines will be used for various trainings to improve efficiency of small scale and (agro) pastoral production systems, and their mitigation of, and adaptation to, climate change. These activities contribute to FAO Objective 2 and the FAO Objective 3 through the following tasks:

1. Conduct a literature search, in both academic journals and grey literature, collect and compile existing information on Good Animal Husbandry Practices (GAHP)
2. Research latest innovation in technologies and mechanization in animal husbandry
3. Prepare a draft report on the literature review conducted.
4. Assist in developing materials such as briefs, factsheets and technical guidelines on GAHP, to be used through livestock extension services
5. Assist in in maintaining the inventory of GAHP publications produced by the team.
6. Contribute to team meetings and webinars, and report on key highlights, as needed.
7. Perform other tasks as needed.
